1. - Purpose and intent.

(a) The purpose of this Ordinance is to provide standards and regulations to help safeguard and preserve health, safety, property values and the welfare of the general public by regulating the erection, placement, use and maintenance of signage and advertising within the city.

(b) It is hereby declared to be the purpose and intent of this Ordinance to regulate and control signs and other advertising means as set forth in this Ordinance, that may if not controlled may adversely affect the health, safety, property values, quality of life and welfare of the general public. It is not intended that this Ordinance be interpreted or enforced to require the city to intervene in matters which are primarily personal or private in nature and which may appropriately be resolved between or among private interests without material danger to the public health, safety or welfare.

2. - Scope.

This Ordinance shall apply to all signage or other advertising means that are or may be erected, altered, maintained, improved on land, property, buildings or structures within all zoning districts in the city, including all vacant, occupied, residential, nonresidential, improved or unimproved land, properties, buildings or structures.

(a) In a PO, planned development district, the sign standards may be specified in the amending ordinance. Where specific sign standards are adopted in the PO ordinance (except for maintenance of signs and abandoned signs) those standards shall take precedent. Where specific sign standards are not addressed in the PO ordinance this Code shall apply.

(b) Nothing herein shall be deemed to permit signs that are expressly prohibited for sexually oriented businesses or establishments regulated by the city's alcohol regulations.

3. - Stricter standards or regulations.

If any other ordinance of the city conflicts with this Ordinance and the standards and regulations established in this Ordinance, the higher, stricter or specific standard or regulation shall prevail.

4. - Definitions.

The following words, terms and phrases when used in this Ordinance shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning:

Abandoned sign. A sign structure that has ceased to be used and/or contains obsolete sign copy for a period greater than six months; or a sign structure that the owner no longer intends to display sign copy.

Apartment name sign. An accessory sign for the identification of an apartment building or complex of apartment buildings.

Sign Ordinance 2023-02

Window signs. Any sign affixed to or on the inside of a building within five feet of a window with its message is intended to draw attention to business, product or service provided at the premises.

5. - Conformance to codes.

Any sign hereafter erected shall conform to all of the provisions of the Code of Ordinances and the Zoning Ordinance of the City of Payne Springs and any other ordinance or regulation of the city.

Sign Ordinance 2023-02

6. - Sign quality.

All signs shall be manufactured or rendered in a workmanlike manner with materials as required by this Ordinance or as approved by the building official. All text (alpha or numeric characters) shall be rendered to meet a standard recognizable font. All other graphics shall be rendered in a workmanlike manner. Required or permanent signs shall not be painted or rendered to appear to be freehand text or graphics. Temporary window signs may be freehand painted provided they meet with the intent of this Ordinance.

7. - Building address numbers.

(a) Building address numbers shall be displayed and shall meet the materials and workmanship requirements of this section.

(i) **Placing and maintaining by owner or occupant required; designation of official number; exception.**

The owner or occupant of each building in the city shall place and maintain on the building an official building address number in a conspicuous place that can be clearly seen from the street and/or fire lane. The building official shall designate the official number which is to be placed on each building. Structures designated as accessory buildings by the building official shall be exempt from this section.

(ii) **Building complexes; individual units; display of numbers.**

(1) A building complex with multiple structures must have an official number assigned to each building. The official number must be prominently posted on the building so that it is visible from the public street and/or fire lane.

(2) Each separate unit, lease space, suite, apartment, office or living area within a building must also display a number. The owner or owner's representative or the occupant or occupant's representative of the building complex shall submit a numbering system to the building official or his designated representative for approval. The number shall be posted in a conspicuous place at each outside entrance to the unit, lease space, office, suite, apartment or living area.

(iii) **Building number specifications.**

An official building address number placed pursuant to this article must be at least three inches high, composed of a material approved by the building official or his designated representative, and of a color which provides a contrast to the color of the material on which it is placed.

(iv) **Unit number specifications.**

A number identifying a separate unit, lease space, office, suite, apartment or living area and placed pursuant to this article must be constructed of a material approved by the building official or his designated representative, of a color which contrasts with the color of the

Sign Ordinance 2023-02

material on which it is placed, and of a size approved by the building official or his designated representative.

(v) **Submission of number systems by owners in compliance with article not required.**

The owners or occupants of existing buildings, which contain separate units, lease spaces, offices, suites, apartments or living areas need not submit a numbering system to the building official for approval when it has been determined by the building official or their designated representative that the numbering system in the existing building complies with the requirements of section (ii).

(vi) **Certain building numbers may be exempted from article specifications.**

Building address numbers which are placed on a building, in a conspicuous place that can be clearly seen from the Public Street and/or fire lane, on or before the effective date of the ordinance from which this section is derived, may not be required to meet the requirements of section (iii).

(vii) **Enforcement of article.**

The building official, or his authorized representative, is hereby authorized and directed to administer and enforce all of the provisions of this article.

(b) In residential zoning districts building address numbers painted on the curb shall be white, minimum of three inches in height and centered within a five-inch dark contrasting background.

8. - Maintenance, repair and removal.

Every sign permitted by this Ordinance shall be kept in good condition and repair. When any sign becomes insecure, in danger of falling or is otherwise deemed unsafe by the building official, or if any sign shall be unlawfully installed, erected or maintained in violation of any provision of this Ordinance, the owner thereof or the person or firm using same shall, upon written notice by the building official forthwith in the case of immediate danger, and in any case within not more than ten days, make such sign conform to the provisions of this Ordinance, or shall remove it. If within ten days the order is not complied with, the building official shall be permitted to remove or cause such sign to be removed at the expense of the owner and/or the user of the sign.

9. - Obsolete sign copy.

Any sign copy that no longer advertises or identifies a use conducted on the property on which the sign is erected shall have the sign copy removed within 30 days after written notification from the building official; and upon failure to comply with such notice, the building official is hereby authorized to cause

Sign Ordinance 2023-02

removal of such sign copy, and any expense incident thereto shall be paid by the owner of the building, structure or ground on which the sign is located.

10. - Nonconforming signs.

Any sign legally existing at the time of the passage of this **Ordinance (2013-03-19)** that does not conform in use (other than off-premises signs), location, height or size with the regulations of the zone in which such sign is located, shall be considered a legal nonconforming use or structure and shall be permitted to continue in such status until such time as it is either abandoned or removed by its owner, subject to the following limitations:

- (1) Structural alterations, enlargements or re-erection are not permitted. Sign copy may be changed and maintenance and repair may be performed on the structure.
- (2) Nonconforming signs, which are considered abandoned signs, shall be removed regardless of the owners' intent to make future use of the structure.
- (3) Any legal nonconforming sign shall be removed if the structure has been allowed to deteriorate to the extent that the cost of repair or maintenance exceeds 50 percent of the original cost of the sign as determined by the building official.

11. - Traffic visibility.

No sign or sign structure shall be erected near any street in such a manner as to obstruct free and clear vision, nor at any location where by its position, shape, color, degree, manner or intensity of illumination, it may interfere with or obstruct the view of or be confused with any authorized traffic sign signal or device or interfere with vehicular or pedestrian traffic. Pursuant to the foregoing, no sign shall be erected or maintained in such manner as to be likely to interfere with, obstruct the view of, distract from or be confused with any authorized traffic sign, signal, or device. Accordingly, no sign shall make use of the words "stop," "go," "look," "slow," "danger," or any other similar words, phrase, symbol, or character or employ any red, yellow, orange, green or other colored lamp or light in such a manner as to interfere with, mislead or confuse traffic

12. - Illumination.

No sign shall be illuminated to an intensity to cause glare or brightness to a degree that could constitute a hazard or nuisance. Moving, beacons, revolving or similarly constructed signs shall not be allowed unless otherwise authorized by this Ordinance. No sign, name plate or similar device located in a residential district or within 100 feet of a residential district boundary shall be of a flashing, intermittent or pulsating type illumination. The elements of illumination on an illuminated signs located in a residential zoning district or located within 100 feet of a residential district shall be installed and maintained on a timing mechanism that shall turn off the illumination from 10:00 p.m. in the evening until 7:00 a.m. the next morning.

13. - Exempt signs.

The provisions of the article shall not apply to the following signs, provided that such signs shall not violate the general prohibitions or the unsafe and unlawful provisions of this Ordinance:

- (1) Inside signs not defined as window signs.
- (2) Traffic and other signs erected or maintained by a governmental agency.
- (3) Official and posted legal notices authorized by a court, public body or public safety officer.

Sign Ordinance 2023-02

- (4) Street number signs not exceeding one square foot in area in residential zoning districts and three square feet in area in nonresidential zoning districts.
- (5) Nameplates not exceeding two square feet in area.
- (6) National, state and historical flags, (flagpoles must comply with the requirements of the building code and must be set back a distance from the property line equal to the height of the pole).
- (7) Memorial plaques, building identification signs and building cornerstones when cut or carved into a masonry surface or when made of noncombustible material and made an integral part of the building or structure.
- (8) Any sign erected and maintained by the City of Payne Springs.

14. - Prohibited signs.

(a) It shall be unlawful for any person to place or cause to be placed a sign or device as provided herein:

- (1) Signs located in such a manner as to obstruct or otherwise interfere with an official traffic sign, signal, or devices, or obstruct or interfere with a driver's view of approaching, merging or intersection traffic or pedestrians.
- (2) Except as provided for elsewhere in this Ordinance, it shall be unlawful for any person to place or commission the placement of any sign that is encroaching upon or overhanging public right-of-way, attach to any utility pole, utility structure, light standard, street tree or any other public facility located within the public right-of-way.
- (3) Signs, other than electronic changeable message signs, which blink, flash or are animated by light or in any fashion.
- (4) Portable signs except as allowed for temporary signs.
- (5) Any sign attached to, or placed on, a vehicle, trailer or other movable object and placed or parked on public or private property for an extended period of time so as to draw attention to a business, location, product or service.
- (6) No cloth, paper, banner, flag, device or other similar advertising matter shall be permitted to be attached to, suspended from or allowed to hang loose from any sign, pole, building or structure, except as allowed by other provisions of this Ordinance.
- (7) No person shall attach a sign, paper or other material, or paint stencil or write any name, number (except house numbers) or otherwise mark on any sidewalk, curb, gutter or street.
- (8) No person shall paint a sign or attach a sign, other than a nameplate sign, to the outside of a fence, railing or a wall which is not a structural part of a building, whether or not on the property line.
- (9) No person shall erect, maintain or permit the erection of any balloon, streamers, pinwheels or other floating or motion devices anchored to the ground or to any structure, except those temporarily displayed as part of a special sale, promotion or community event as allowed by other provisions of this Ordinance.
- (10) Non-real estate personal property sales signs.
- (11) Any sign, display, event or action intended to draw attention or advertise, which is not covered by this Ordinance shall be prohibited. No such sign, display or event shall be permitted until

Sign Ordinance 2023-02

said sign, display or event has been defined by in this Ordinance and appropriate regulations regarding said sign, display or event have been considered and adopted.

- (b) For purposes of subsection (2), a culpable mental state is not required for a violation of subsection (2), and need not be proved. A violation under subsection (2) shall be punishable upon conviction by a fine not to exceed \$500.00.

15. - Permits required.

Unless specifically exempted, a permit must be obtained from the building official for the erection and maintenance of all signs erected or maintained within this jurisdiction and in accordance with other ordinances of this jurisdiction. Exemption from the necessity of securing a permit, however, shall not be construed to relieve the owner of the sign involved from responsibility for its erection and maintenance in a safe manner and in a manner in accordance with all other provision of this Ordinance.

16. - Construction documents.

Before any permit is granted for the erection of a sign or sign structure requiring such permit, construction documents shall be filed with the City of Payne Springs showing the dimensions, materials and required details of construction, including loads, stresses, anchorage and any other pertinent data. The permit application shall be accompanied by the written consent of the owner or lessee of the premises upon which the sign is to be erected and where required, the plans and specifications shall be signed and sealed by a registered design professional.

17. - Changes to signs.

No sign shall be structurally altered, enlarged or relocated except in conformity to the provisions herein, no until a proper permit is obtained. The changing or maintenance of internal parts or components of an approved sign shall not be deemed as structural alteration. The changing of copy, lettering, sign faces, colors, display and/or graphic matter shall be deemed as alteration to a sign and a permit shall be required.

18. - Permit fees.

No sign permit required by this Ordinance shall be issued until the permit fee of \$50 has been paid. In addition to the payment of the permit fee required by this section, a late application fee in an amount equal to the permit fee required by this section must be paid if a sign is erected, placed, relocated, or maintained, or work has otherwise commenced, prior to issuance of the permit required by this Ordinance. The payment of a late application fee pursuant to this section is not a defense to the failure to comply with the provisions of this Ordinance or other applicable provisions of this Code.

19. – Expiration.

A permit for a sign shall expire if the work is not started within 60 days, nor completed within 60 days after the work is commenced. In such an instance a new permit shall be required before beginning or completing the work.

Sign Ordinance 2023-02
